1. INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS. The website, including, but not limited to, its programming, editing, compilation, and other elements necessary for its operation, designs, logos, text and/or graphics, is the property of the RESPONSIBLE or, where appropriate, has a license or express authorization from the authors. All content on the website is duly protected by intellectual and industrial property regulations and registered in the corresponding public registries. Regardless of the purpose for which they were intended, total or partial reproduction, use, exploitation, distribution, and commercialization, in any case, requires prior written authorization from the RESPONSIBLE. Any unauthorized use is considered a serious breach of the intellectual or industrial property rights of the author. Designs, logos, text and/or graphics not owned by the RESPONSIBLE and that may appear on the website belong to their respective owners, who are responsible for any possible controversy that may arise with respect to them. The RESPONSIBLE expressly authorizes third parties to directly link to specific content on the website and, in any case, to redirect to the main website <https://www.orbisnauta.com>

The RESPONSIBLE recognizes the corresponding intellectual and industrial property rights of its owners, and the mere mention or appearance on the website does not imply the existence of any rights or responsibility for them, nor does it imply endorsement, sponsorship, or recommendation by the RESPONSIBLE.

To report any possible infringement of intellectual or industrial property rights, as well as any content on the website, you may do so by emailing info@orbisnauta.com.

2. LIABILITY WAIVER.

The RESPONSIBLE is exempt from any liability arising from the information published on its website, provided that such information has been manipulated or entered by a third party outside of the RESPONSIBLE.

Use of Cookies

This website may use technical cookies (small information files that the server sends to the computer of the user accessing the page) to carry out certain functions that are considered essential for the proper functioning and display of the site. The cookies used are always temporary and have the sole purpose of making navigation more effective, disappearing when the user's session ends.

For more information, please see the Cookie Policy.

Links Policy

From the website, it is possible to be redirected to third-party website content. As the RESPONSIBLE party cannot always control the content introduced by third parties on their respective websites, no responsibility is assumed regarding such content. In any case, immediate action will be taken to remove any content that may contravene national or international legislation, morality, or public order. The RESPONSIBLE party is not responsible for the information and content stored, for example but not limited to, forums, chats, blog generators, comments, social networks, or any other means that allows third parties to publish content independently on the RESPONSIBLE party's website. However, in compliance with the provisions of Articles 11 and 16 of the LSSICE, all users, authorities, and security forces are made available to actively collaborate in the removal or, where appropriate, blocking of all content that may affect or contravene national or international legislation, the rights of third parties, or morality and public order. If the user considers that there is any content on the website that may be susceptible to this classification, please notify the website administrator immediately. This website has been reviewed and tested to ensure proper functioning. In principle, proper functioning can be guaranteed 365 days a year, 24 hours a day. However, the RESPONSIBLE party does not rule out the possibility of certain programming errors, or that force majeure, natural disasters, strikes, or similar circumstances may make it impossible to access the website.

IP Addresses

The website servers may automatically detect the IP address and domain name used by the user. An IP address is a number automatically assigned to a computer when it connects to the Internet. All this information is recorded in a server activity file properly registered, which allows the subsequent processing of the data in order to obtain only statistical measurements that allow knowledge of the number of page impressions, the number of visits made to the web servers, the order of visits, the point of access, etc.

3. APPLICABLE LAW AND JURISDICTION.

For the resolution of all disputes or issues related to this website or the activities carried out therein, Spanish law shall apply, to which the parties expressly submit, with the courts and tribunals closest to Las Palmas de Gran Canaria being competent to resolve all conflicts arising from or related to its use.
